

Mr Wilson's Weekly Message

This week, I have taken some time to reflect on our relationships with the parents and carers of the pupils in our care. As a Head, I do my best to be open to feedback from all of our stakeholders, including staff, students and, of course, parents. This, to me, is one of the most important things we do as a school, as we will only be able to build a lasting culture of success for our students if home and school are working in unison to do so. Next week we have the first of our two year 7 meet the tutor evenings. This is one of the first opportunity some of our new year 7 parents will have to meet staff and discuss how well their child has settled into life here The Hurlingham Academy. I am looking forward to meeting all parents, and hearing how pupils are finding the transition.

I would like to thank all members of our community for the support you give to our pupils. This is also a perfect time to mention that if you are yet to complete the parent survey, please do take some time over the weekend. We really do value your feedback.

Finally I would like to congratulate year 11 on completing their first mock week. I know the thought of mocks can be daunting, but teachers have been very impressed with how well you applied yourself throughout this period. Remember, one of the most important parts of any assessment period is the feedback you receive after. I encourage all pupils to engage well with this feedback, as this is where the real progress will happen.

Clothes Donations

We would like to thank all staff and pupils for their generous clothing donations for those affected by the flooding in Spain. The amount of clothing collected is phenomenal, and really shows how as a community we can come together to support those who need our support. All donations will now be collected by WeRecycleClothes, a charity who are working alongside the Spanish Red Cross as a result of the recent floods in Spain.

Sporting Achievements

We would like to say well done to the following pupils for their fantastic sporting achievements this week:

James completed the Fulham 10k this weekend in 43 minutes!! This is a whole 8 minutes faster than Mr Rattray– although Mr Rattray assures us the race is on now!

Demi competed in the Wandsworth swimming gala with great success swimming 2 lengths in 37 seconds.
