

Mr Wilson's Weekly Message

Good afternoon everyone and what an incredible week! I am so proud of our staff and students in how they showed Ofsted what a great community we are. We had four inspectors in school over the two days and they were blown away by how respectful, friendly and hard working our students are. They saw lesson after lesson of students enjoying their learning and be challenged and engaged by the content. Thank you too for those of you who took the time to complete the parent surveys and for being so generous in your comments about us. We will celebrate properly when the grading is made official, but for now, we are thrilled that this community has a fantastic non-selective school for our children. Have a great weekend, Mr. Wilson

LBHF holiday activities and food programme

What is our Holiday Activities and Food programme?

H&F's Holiday Activities and Food programme (HAF) offers a wide range of **FREE** activities across the borough, ensuring that every young person receives a nutritious meal.

Funded by the Department for Education, the HAF programme is designed to support families who receive benefits-related free school meals during school holidays. The programme offers a variety of free engaging activities and nutritious meals for children and young people across H&F.

Your child will qualify for the HAF programme if all these statements apply to you:

- your child or children are eligible for benefit related free school meals (FSM)
- you live in Hammersmith & Fulham
- your child or children are aged between 5 and 16 years.

Not eligible? Even if you don't meet the criteria, we have a number of spaces available for those not in receipt of benefit-related FSM. Please continue to [register to book your place](#).

7U Synagogue Trip

7U took a trip to a Jewish synagogue this week to learn more about the Jewish faith. They tried matzo and challah bread, drank grape juice, undressed and rolled out the Torah scrolls and read a Passover blessing. Edward from Westminster Synagogue commented on how well behaved they were, and they made sure to say thank you to the person letting them through the tube barriers. Manners are very important to us, both in and outside of school. We've even been invited back for another visit!
