

Mr Wilson's Weekly Message

Good afternoon everyone,

I hope you all have had a lovely half term. It has been wonderful to have the students back in school and there is a real buzz around the assessments which start next week. The message to students is always about trying their hardest and making their own individual progress. I'm sure they will do extremely well and make us all proud. Equally important this term is all the enrichment and extra curricular events and activities that will be taking place - we have trips, STEM

days, workshops, assemblies, Sports Day, the Cross Curricular Day, Work experience and many, many more great opportunities for our students to learn and develop beyond the classroom. I'm really excited about the weeks ahead and sharing all the amazing things going on. Do stay tuned! Mr. Wilson

Parent Governor Vacancy

The Hurlingham Academy is looking for an enthusiastic and committed parent/carer, with a child on roll here, to become one of our governors. The role of governors is an important one and you will have the opportunity to express your views, contribute to the school community and support staff in ensuring our students gain an excellent education.

Governors meet four times a year for two hours with a combination of online and face-to-face meetings. They provide support and challenge on a range of key issues that affect the strategic direction of the school.

The governing body works in close partnership with Mr Wilson and the Senior Leadership Team. This is a voluntary role and governors find great satisfaction in knowing that they play a key part in shaping the future of The Hurlingham Academy.

If you would like to apply, have any questions or would like to discuss any aspect of the role before submitting an application, please contact Ms Mehmet UMehmet@thehurlinghamacademy.org.uk who will arrange for Mr Wilson to give you a call.

Celebrating Eid al-Adha

'Eid Mubarak' to all families celebrating Eid al-Adha in the next few weeks. Please note that only one day of absence will be authorised for students celebrating Eid, and this can be taken on Monday 17th June. Please notify Ms Horne if your child will be celebrating Eid on this date: SHome@thehurlinghamacademy.org.uk.

End of year exams starting next week

In order not to disadvantage students missing school for their Eid celebrations, we have made some changes to the exam timetables for Year 7, 8 and 9. New timetables have been given to students and can also be found here: [Year 7](#), [Year 8](#), [Year 9](#)

Students already have their revision manifests and should be revising independently at home. We particularly recommend the following revision techniques:

- Self quizzing to learn definitions from a knowledge organiser (see [this video](#), knowledge organisers available [here](#))
- Testing yourself on flashcards using the Leitner system (see [this video](#))
- Completing practice questions - your teacher will provide you with these

It's really important for students to be in school every day and to get plenty of rest each night. Good luck to everyone taking exams!
