

## Mr Wilson's Weekly Message

Each year, we hold a Circle of Truth with the Year 11 pupils. Staff and students sit together in the hall and reflect on their journey through the school. Often, both staff and students use this as a chance to show their gratitude for the care and hard work that they have put in. Sometimes, someone will share a funny memory that has the whole circle roaring with laughter. Occasionally, a humble apology will be offered and is always accepted with open arms, knowing that what the future holds is far more important than holding onto the

past. It has been my absolute pleasure to teach this year group and 11x/Ma4's lessons are always a joy. As well as delighting in equations and Pythagoras' theorems, I have loved watching my students' confidence grow. Marika, Leneya, Scott, Elizabeth and Seia in particular have made very impressive gains this year. Mme Quinton ended the Circle of Truth by reminding us that who you are is more important than what you do. We know that you deserve excellent results in the summer and we will be so proud of you. We also know that you are ready to be valuable and conscientious members of society who will strive to make your community a better place.

## ABRSM Piano Exams

On Tuesday morning 7 of our pupils attended their piano exams, along with their teacher Mme Osman. It has been so lovely to see these pupils progress and we are proud to say that all pupils passed with flying colours. Well done for all the hard work.

## Mr Wilson's Commendations

Congratulations also go to the following pupils, who made it to the top of our maths and English leader boards this week:

This week's **Hegarty Leader Board** is as follows:

Year 10 - Sheena

Year 9 - Omari

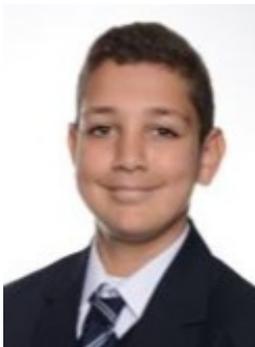

Year 8 - Ayman

Year 7 - Molly

Top of the leader board this week is Molly. It is fantastic to see a Year 7 pupil taking such pride in their maths. Well done and keep up the hard work.

It was nice to see some female faces among the list of at the top of our reading leader board, with our **top readers** Abigail, Kimberly, Gabriel and Adem. It was Aequitas who took the house points this week having read over 3,000,000 words in a week! This rounds off a fantastic week for Aequitas, Mme Hateley will be proud.

With Year 11 leaving, we have no Tassomai results to report. However, we look forward to getting the ball rolling with Year 10 next week.

## Golden Postcard Trip

Congratulations to the 37 pupils who were lucky enough to attend the Golden Postcard Trip this Thursday. A great time was had by all. Hard work really does pay off.

## KS3 Football with Mr Cheetham

With the World Cup starting this week, the house competition had to be a football tournament. KS3 were in their numbers picking the best players to represent their house and be crowned THA champions! Veritas kicked us off against Unitas in a fiery game where Unitas found themselves 3-2 up with a minute to go but couldn't hold onto their lead and lost 3-4 in dramatic circumstances. Aequitas were scoring bundles of goals with Carl leading the line. The final game saw Aequitas beat Unitas to be crowned champions. Caritas finishing 2<sup>nd</sup> on goal difference to an unlucky Veritas and Unitas in 4<sup>th</sup> spot. All eyes on the World Cup now!

## THA at the Ballet

Rebecca joined us here at The Hurlingham Academy just under one year ago. She moved from Italy where one of her main passions was to dance, specifically ballet. After moving to England she started attending the London Russian Ballet School in Clapham, a very prestigious and highly renowned school for ballet. Rebecca will be performing in a show in July so watch this space for some amazing pictures from the performance. The Hurlingham Academy is extremely proud!
