

Ms Quinton's Weekly Message

Good afternoon everyone, I have been thrilled with how well our pupils have settled into their new classes and learning - particularly Years 7 and 11. Do set your child up to succeed, achieve their potential and develop important life skills this year by ensuring their attendance is above 96%.

Every lesson builds on previous learning, so missing school can create gaps in knowledge that make it harder to keep up with classmates.

Excellent attendance also helps pupils build positive relationships with teachers and peers, develop confidence and establish routines that encourage responsibility and good habits. It supports academic success, improves wellbeing and prepares young people for future education, employment and life beyond school. Please ensure your child does not miss out on all this. Also, next week all of our extra-curricular and enrichment opportunities begin for all year groups - your child will not want to miss out! Have a lovely weekend and I look forward to seeing all of your children on Monday morning!

Ms. Quinton

Friends of Hurlingham (PTA)

After the successful launch of the Friends of Hurlingham last year we are recruiting for new members to help us to grow even further this year! This is a great opportunity for parents, carers and family members to get more involved with the school, support with fundraising and organising events, as well as connect with other parents and build a wider community network.

There are so many ways you can get involved and support:

- **You like doing more than talking?** Volunteer to help on the day of events.
- **Ready to share your skills?** Join us and offer a helping hand.
- **PTA is your passion?** Stand for one of the committee positions!
- **Have a new idea you want to share?** Join us and take the lead to bring it to life.
- **Love to help but time is scarce?** Donate at any point via the Amazon wish list or contact us for other ways to support.

Our first meeting of the year will be held in person on the 24th September from 5.30pm. If you have any questions, please email emowbray@thehurlinghamacademy.org.uk.

Amazon Wish List

Dear Parents and Carers,

We're excited to share our school Amazon Wish List, created to help provide extra resources and opportunities for our students. Every item donated big or small makes a real difference to classroom learning, enrichment activities, and student wellbeing.

If you find something you would like to purchase from our Amazon Wish List, just add it to your basket and follow the same procedures as if you were ordering something for yourself. The items will then be delivered directly to the school. Please make sure you select the school address in the delivery section.

Thank you,

The Friends of Hurlingham (PTA)

United Learning Maths Clinics

We are delighted to offer our Year 11 students the opportunity to take part in the **United Learning Maths Clinics**, delivered by expert teachers and examiners from Capital Tuition Group.

Starting on **Saturday 7 November at 9:30am**, these monthly online masterclasses are designed to strengthen mathematical understanding, develop exam technique and boost confidence ahead of GCSE examinations. Students will benefit from expert teaching, worked examples, exam-focused guidance and opportunities to ask questions in real time. Last year, students who attended the clinics improved by an average of **1.5 grades**, making this an excellent opportunity for our Year 11 pupils.

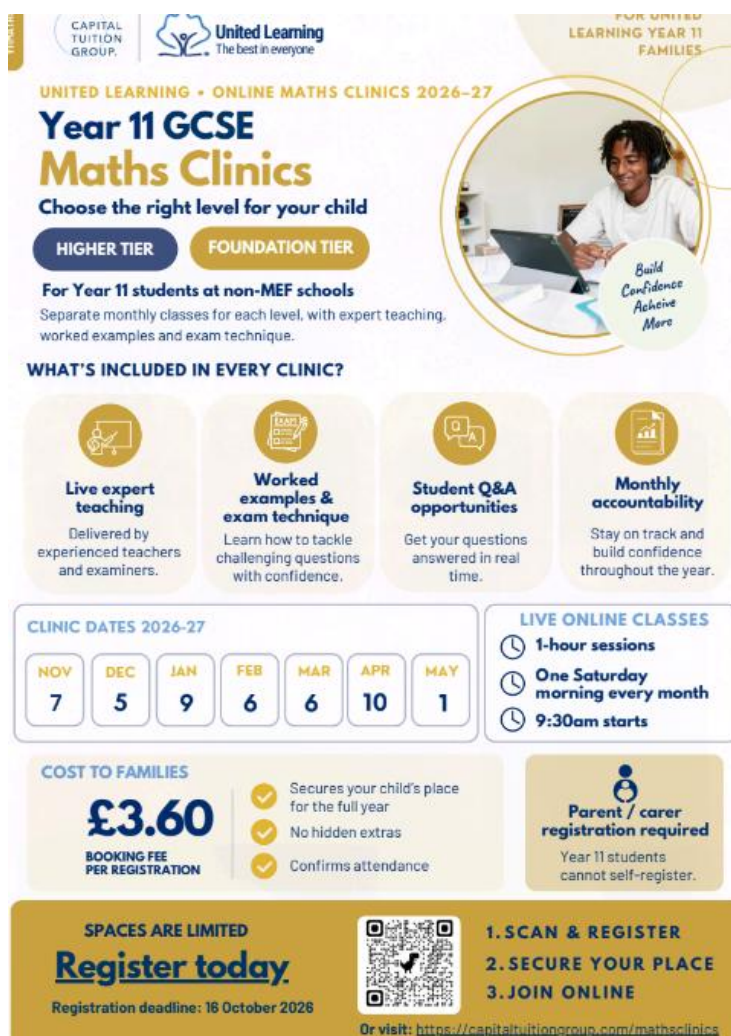

As an additional benefit, families who sign up early will be invited to a complimentary 30-minute webinar with Matthew Curnier, CEO and Founder of Capital Tuition Group, sharing advice on how to make the most of the GCSE year.

There is a small booking fee of **£3.60**, which secures a place for the entire programme of seven sessions throughout the year. Places are allocated on a **first-come, first-served basis**, with only **40 spaces available per tier**. Booking opens today at **5:00pm**.

Please register by 16 October 2026 to secure a place.

Book your place: [United Learning Maths Clinics](#)

We are proud to be able to offer this opportunity and encourage families to register early to avoid disappointment.

UNITED LEARNING • ONLINE MATHS CLINICS 2026-27
