Ms Quinton's Weekly Message

Good afternoon parents and carers,

This week we marked Remembrance at The Hurlingham Academy. We stopped and remembered those who have given lives to protect the freedoms that we enjoy today in the UK. We also reflected on those impacted by war and conflict around the world and also those in our school family who have left homes due to conflict in Ethiopia, Sudan, Afghanistan, Ukraine and areas of the Middle East and those who may still have family in these regions living under the shadow of war. Finally, we reflected on how we can seek to be peacemakers in our communities and in this city. Remembrance matters as it encourages reflection and gratitude and it teaches our children about service and sacrifice. It is especially good to have sixty of our Year 9 students in France and Belgium from Thursday visiting the WW1 battlefields and seeing firsthand what we had been thinking about in school on Wednesday.

Have a lovely weekend and please do complete the Parent Survey! This annual survey gives families an opportunity to share their experiences, perspectives, and ideas about the school. Whether it is celebrating what is working well or identifying areas where improvements can be made, your feedback helps ensure that decisions are informed by the voices of those who know our students best. I really do appreciate your help in making our school an even better place for our children. Thank you!

Ms. Quinton

Fulham 10K

We would like to say good luck to our KS4 students who are running the 10K this weekend. Lots of great charities being supported in doing so and it is brilliant to see our students busy in extra curricular activities. Adam in Y10 is raising money for West Youth Zone, a local charity helping to keep teenagers from homelessness.

Parent Survey

At The Hurlingham Academy, we are committed to continuous improvement and striving to be the best we can be. A vital part of this is understanding the experiences of our parents and carers, which is why we are delighted to launch our annual parent survey.

The survey should take no more than 15 minutes to complete and asks for your views on a range of areas, including school communication, supporting learning at home, and your overall relationship with the school.

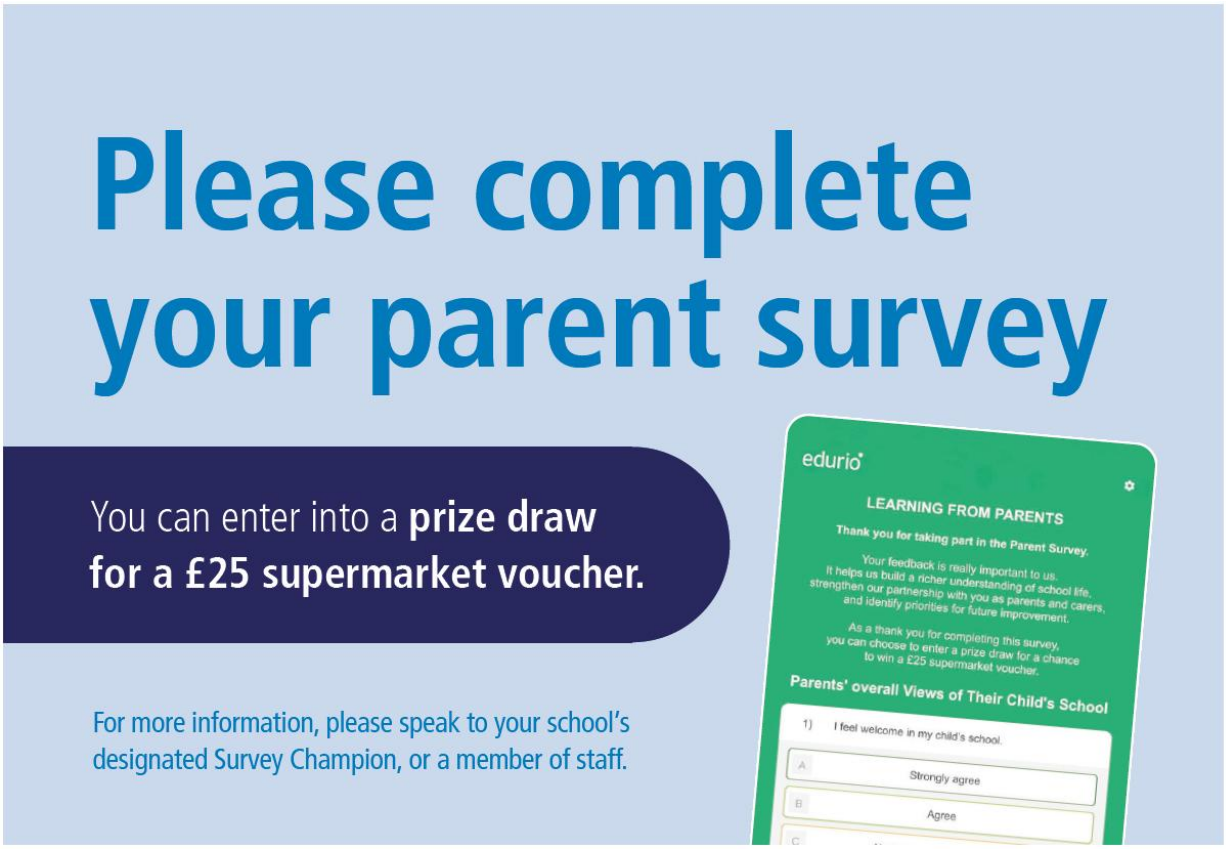

You can access the survey here:
Parent Survey

The survey is conducted by Edurio, an experienced independent survey provider. Responses are anonymous, and the school will not be able to identify you from your answers unless you choose to include identifying information about yourself or your child in a free-text response.

Alongside the parent survey, all pupils will also have the opportunity to share their views through a student survey, which they will complete during school time.

Thank you in advance for taking the time to provide your feedback. If you have any difficulty accessing the survey or have any questions, please contact k-ling@thehurlinghamacademy.org.uk.

As a thank you for participating, you will have the opportunity at the end of the survey to enter a raffle to win a £25 supermarket voucher.

Educational Psychologist Workshop

JOIN US FOR A WORKSHOP RUN BY EDUCATIONAL PSCHOLOGIST DR HO

CONNECTING WITH YOUR CHILD IN ADOLESCENCE: UNDERSTANDING COMMUNICATION AND POSITIVE RELATIONSHIPS

We invite you to join a practical and supportive session focused on connecting with your child during adolescence. Together, we will explore what may be happening developmentally during the teenage years, how to strengthen trust and positive relationships, and how to encourage your child to talk more openly about school, friendships, behavior, and any worries they may be carrying. The session will include helpful theories, simple communication strategies, role plays, and conversation scripts you can use at home right away. We will also discuss how to work in partnership with the school when concerns arise. Parents will leave with concrete tools, a chance to ask questions, and information about follow-up support.

Please confirm your attendance by emailing crowe@thehurlinghamacademy.org.uk

Amazon Wishlist

We're excited to share our school Amazon Wish List, created to help provide extra resources and opportunities for our students. Every item donated big or small makes a real difference to classroom learning, enrichment activities, and student wellbeing.

If you find something you would like to purchase from our Amazon Wish List, just add it to your basket and follow the same procedures as if you were ordering something for yourself. The items will then be delivered directly to the school. Please make sure you select the school address in the delivery section.

Thank you,

The Friends of Hurlingham (PTA)
