

Mr Wilson's Weekly Message

It has been another busy week here at The Hurlingham Academy. Teachers have been working around the clock to mark the assessments completed by KS3, and I have already observed some fantastic feedback lessons taking place. While we may all be excited to find out our place in the rank orders next week, it is important to remember that the feedback we receive is what really matters. It is through this feedback that pupils can understand how to improve their work and continue to make progress. I strongly encourage all pupils to take the time to carefully review their assessments when they are returned and, rather than focusing solely on the score, to consider where improvements could have been made.

Next week during tutor time, all KS3 pupils will complete a reflective activity based on their recent assessments and set targets for the upcoming term. Reflecting on your own work and setting meaningful, achievable goals can be challenging, but form tutors will be there to provide guidance and support throughout the process. Once again, well done to all pupils for completing their assessments, and a special congratulations to Year 7 for successfully completing their very first assessment cycle at secondary school.

Year 9 French Trip

Year 9 students enjoyed an enthusiastic day immersed in French language and culture. At the National Gallery, they learnt about the work of celebrated French artists such as Renoir, Cezanne. They wrote and discussed their opinions in the target language which is a skill required for the GCSE. It was excellent to see students asking questions about the colours and time period that they were painted. The day ended with a sweet French treat at Maison Berteaux in Soho where students ordered their *pâtisserie* in French, showing real confidence and developing language skills in an enjoyable way.

Medical Appointments

We would like to remind all parents and carers that we require at least 24 hours' notice if your child needs to leave school to attend a planned appointment. To inform the school of any upcoming appointments please

email: info@thehurlinghamacademy.org.uk or message via the Arbor app.

Year 7 Parents Evening

Thank you to those who have already completed the form regarding **Year 7 Parents' Evening** on Thursday 12th February. If you have not yet done so, please complete the following form: [Year 7 Parents' Evening - Thursday 12th February – Fill in form.](#)

Following the event, we will be having a slightly later start for all pupils on Friday 13th February. Students should arrive for roll call by 8.45am.

Half Term Fun

Career in the Arts

On Tuesday we held our first ever careers in arts event. It was fantastic to have so many volunteers from the world of art who came in and truly inspired our pupils. We also had some Hurlingham Alumni who returned to talk through their fantastic studies in art and fashion. The room was absolutely buzzing, and I know that pupils left feeling inspired, and with a greater understanding of
