

Mr Wilson's Weekly Message

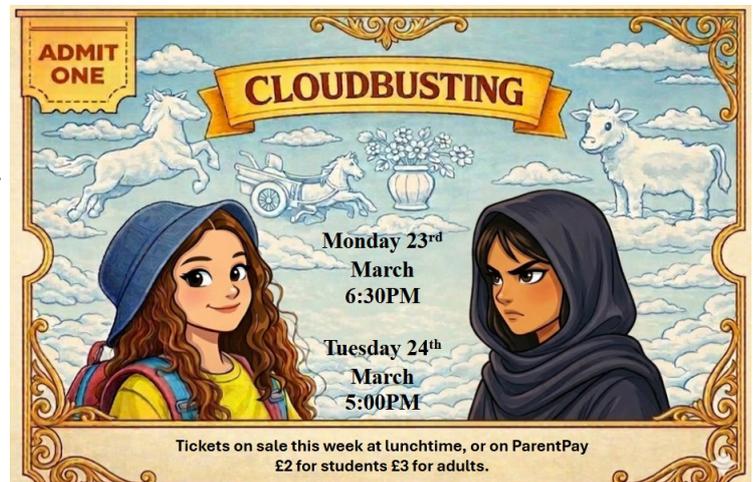

On Monday, we were delighted to host our termly Parent Forum. This event is always a highlight of the term for me. It was wonderful to hear your positive feedback about what we are doing well as a school, and equally valuable to listen to your thoughtful suggestions for how we can continue to grow and improve. I firmly believe that by working in partnership, we can achieve the very best outcomes for our children. We enjoyed some excellent discussions about teaching, learning, and how to create the most supportive environment for our entire school community. As always, if you have further suggestions or would like to discuss anything in more detail, please don't hesitate to get in touch with the school.

Over the last couple of weeks, Year 6 pupils have received their secondary school allocations for next year, and this week we have had the pleasure of welcoming a number of families during our open mornings. It has been fantastic to meet some of our new pupils and to showcase exactly what we have to offer here at The Hurlingham Academy. I would also like to extend my thanks once again to our Year 8 and Year 9 pupils who supported with school tours. You really are the best reflection of our community, and we are incredibly proud of the mature and welcoming way you represent our school.

Cloud Busting

This year we are thrilled to announce that our school production is called **Cloud Busting**. It is a contemporary production written by Helen Blakeman (based on Malorie Blackman's novel) which explores friendship, bullying, and regret through characters Sam and Davey. The play is a moving tale about the power of kindness, featuring poetic and poignant dialogue that we are excited for our students to bring to life! The dates of the production are March 23rd (6:30pm start) and 24th (5pm start) March here at school, and 20th April at the Lyric Theatre. Tickets can be purchased through ParentPay.

Year 10 Trip to Paris

The Year 10 trip to Paris was an unforgettable experience filled with culture, learning and adventure. During their visit, students explored a traditional French market, where they confidently practised French with local vendors. They also visited the iconic Eiffel Tower and enjoyed a scenic boat cruise along the River Seine.

They had the exciting opportunity to visit the Stade de France, where they sat in the Presidential box and learned more about rugby in one of France's most famous sporting. Students had a taste of Parisian art and history, adding to the richness of the trip by strolling through the charming Montmartre area and the visit at the Musée d'Orsay.

It was an incredible experience for our students, and we are extremely proud of them for their enthusiasm, behaviour, and willingness to embrace every opportunity.

Friends of Hurlingham

Our next 'Friends of Hurlingham' PTA meeting will be on Monday 23rd March at 6.15pm. This will be an opportunity to plan our next event after the success of our bake sale which raised just under £500 for the Jamaican Red Cross!

If you're interested in joining or just finding out a bit more us, please come along. It's a great way to get more involved with the school community, meet other parents, and support the school! This will be a fully remote meeting. Please join using this link:
