

Mr Wilson's Weekly Message

Happy New Year to all of our parents, students, staff, governors and members of our local community. At the start of a New Year, I like to reset my goals: to refresh my aims for the year. Here at The Hurlingham Academy, we know how important continuous improvement is. Therefore I encourage all members of our Hurlingham Academy community to set a resolution for 2022. Perhaps you could try setting a tangible but challenging goal this year. Exercise, nutrition, reading and developing new skills are often a good place to start when thinking about target-setting. I know Ms Ling has given up meat, although I'm not sure I will be going that far with my resolutions. I would be lost without my famous jerk chicken! We always expect the best from our students and this week is no exception. Key Stage 3 have come back with a fantastic attitude and are busy preparing for their assessments which begin on Monday. Years 10 and 11 are responding to their results from the Autumn term and reflecting on how they can make even more progress this term. I know 2022 will be a successful year for our school and I look forward to working together to make this the best year yet!

KS3 Assessments

Exams for Year 7-9 begin on Monday. The timetable for the exams is below. Please remind your son/daughter to complete their revision homework this weekend. They should also check their revision manifest booklet to see what content will be covered in the exam and to see what revision tips each of their teachers has recommended. Spare copies of the revision manifests are available on the school website here: <https://www.thehurlinghamacademy.org.uk/students/assessment-manifest>. Good luck to all of our KS3 students - we know your hard work will pay off!

| | Monday 10th | Tuesday 11th | Wednesday 12th | Thursday 13th | Friday 14th |
|---|-----------------|---------------------|-----------------|-----------------|---------------------|
