

Mr Wilson's Weekly Message

As a school community, results are important to us. We care passionately about who wins the House Cup, we cheer loudly on Sports Day and we know that the GCSE results of our Year 11 pupils will open doors to a lifetime of opportunities. As the first external GCSE exam approaches this Monday, I know that our pupils are ready. They have worked exceptionally hard throughout KS4 and particularly in the lead up to their GCSE exams. Pupils have worked tirelessly, often opting to work through their lunch break, as well as coming in on Saturdays and during the holidays for study sessions. Their teachers have prepared them thoroughly for every question on every paper and ensured they have the very best resources to revise. I am always so proud to say that from last years results, we are the 9th best school not in Fulham, not in London, but in the entire country. This shows me how well prepared our pupils are, and I know this year pupils should be going into this exam season feeling confident and ready to show off everything you've learnt over the past 5 years with us. So what happens now? We need the support of parents and carers at this time to ensure pupils are in school for their 7:30am cram sessions and that they are properly prepared. We also need pupils to be looking after themselves by getting a good night's sleep and avoiding too many distractions during the exam season (that's right Year 11, delete Snapchat and Instagram for the next 5 weeks!!!). I truly believe that all pupils can succeed when they work hard; I have no doubt that this set of exams will lead to some brilliant results that our pupils truly deserve. Good luck Year 11, we are all behind you, supporting you.

Face Masks in School

As a result of the World Health Organisation declaring the end of the covid-19 pandemic, facemasks will not be allowed to be worn in schools from Monday. For those pupils currently wearing face masks, please ensure you remove these as you come through the school gates each morning as of Monday.

Mr Wilson's Commendations

Congratulations this week go to the following pupils, who made it to the top of our maths, science and English leader boards:

Top of the leader board for Sparx in maths this week are:
