

Mr Wilson's Weekly Message

As ever, this week was a busy one at The Hurlingham Academy. I was really pleased to see excellent teaching taking place right up until Thursday and, despite this being our longest term, I was proud to see both students and staff work together to maintain focus and discipline all week. That shows true resilience and a commitment to learning. Our Rewards' assembly demonstrated just how hard pupils had worked this term. There were so many pupils to congratulate and such a buzz in the hall as we cheered

one another on. Our students have thought of others this holiday season through their generous donations to both the hampers and the gift appeal. Hammersmith and Fulham food bank and The Childhood Trust charity expressed their sincere gratitude for these acts of kindness, which will brighten others' Christmas holidays. In keeping with this theme of kindness and generosity, students expressed their gratitude to all staff at the end of our last day. Every member of staff works hard so that every child at The Hurlingham Academy can succeed. From dedicated teachers who go above and beyond what is asked of them to support their students, to the office staff, kitchen and site teams who keep our school running smoothly. I would like to express my deepest appreciation to staff, parents and students for making this term so rich and rewarding. I wish you all a very Merry Christmas and a healthy, happy New Year. Take care, be safe, and I look forward to seeing our students back at school on time and wearing the correct uniform, on the 7th of January 2020!

Golden Postcard Trip

On Tuesday we had our golden postcard trip for all those students who received 10 or more postcards. Over 50 pupils spent the day at Winter Wonderland ice skating with a special guest... yes, that's right, Mr Wilson took to the ice to show off his best moves. The pupils had a fantastic time— I'm not sure whether I can say the same for Mr Wilson, but in true Hurlingham spirit, he persevered and did not give up (even if this did mean clinging on to the edges the whole time). Well done to all those who received golden postcards. We look forward to the next trip in the spring term. Remember, your postcards count throughout your time here at The Hurlingham Academy so if you didn't quite make it to 10 cards this term, make sure you keep them safe and come back in January ready to work hard and earn some more.
